BPROD-1 / BPROD-7

[EduPlatform] The timetable for the nearest Monday is shown in the schedule when weekend data is chosen in the calendar

Attach Add a child issue Link issue Create

Environment Production / Web App

Version 1.001

Severity S5 Trivial

Description

Preconditions:

- User is signed in
- Schedule module is opened
- "Hide the weekend" is checked

Steps to reproduce:

- Expand the calendar and choose the weekend data
- Pay attention to the displayed day of the schedule

Actual Results:

The timetable of another day (the nearest next Monday) is displayed in the schedule after choosing the weekend data

Expected Results:

The corresponding timetable is shown according to the chosen data in the calendar
